## PRICING GUIDE 2023 / 2024

---

When it comes to weddings, 'package costs' don't really work. Each event is as unique as the two people getting married and we prefer to discuss your ideal day for bespoke ideas and costs. We do understand that you need an estimate to keep an eye on your budgets, so here's a pricing guide to the wedding marquee of your dreams...

Your wedding may not fit into any of these brackets, but we'd love to hear from you to discuss your plans and offer our help and advice, to create your bespoke quotation.
